Dear Friends of Children,

Brush Creek Mill has sponsored a golf tournament (Teeing Up for Kids) to raise funds for children's activities in the area, particularly the Children's Christmas Party. Because the event has been so successful the last few years we are able at this time to offer a few small grants to organizations with children's learning and child development as their priority.

Application should include:

- Organization name, address, phone number, contact information for questions.
- Purpose or meaning: How will the project impact children's intellectual, creative, physical, social, or emotional growth?
- Project description
- Funds needed to Complete the Project (only partial funding may be awarded due to monies available)
- Location(s) where the project will be completed (may, but does not need to be Brush Creek Mill)
- Dates of the project and any supporting documents

***It is our belief that self esteem comes from a job well-done, and too frequent rewards lead to dependency on the approval of others rather than the development of self confidence.***

Applications will be considered by a sub-committee of the Brush Creek Mill Board of Directors.

Questions may be addressed to Kathy Stevens at Brush Creek Mill, 989-742-2527, or Brush Creek Mill, P.O. Box 344, Hillman, MI 49746

Please feel free to send copies to other groups in Montmorency County we may have missed in our mailing.

Dear Teachers and Schools,

Brush Creek Mill has sponsored a golf tournament (Teeing Up for Kids) to raise funds for children's activities at the Mill. Because the event has been so successful, we are able to offer a few small grants to organizations with children's learning and child development as their priority.

The Application is attached:

- ***Purpose or meaning: How will the project impact children's intellectual, creative, physical, social, or emotional growth?***
- ***It is our belief that self esteem comes from a job well-done, and too frequent rewards lead to dependency on the approval of others rather than the development of self confidence. So we have difficulty supporting "reward" events when there are so many other needs.***
- ***Please note: It is difficult to support class trips in light of so many needs, so be very specific in how it will impact children, and the way students are chosen.***
- ***If the project includes a trip, note we are not funding additional adults/parents . We will pay for one chaperone/supervisor.***

Applications will be considered by a sub-committee of the Brush Creek Mill Board of Directors.
